## Overall Crime Increases Slightly During First Two Quarters of 2001

Montgomery County Chief of Police Charles A. Moose today announced a modest increase in overall crime and a slight decrease in total Part I crimes within the County during the first two quarters of this year. Part I crimes are defined as murders, rapes, robberies, aggravated assaults, burglaries, larcenies, and auto thefts. Uniform Crime Reporting (UCR) statistics for the first two quarters of 2001, as compared to the same period last year reveal:

- Total Crime increased by seven percent
- Murders increased 100 percent, from three to six
- Rape incidents decreased by three percent
- Robberies increased six percent
- Aggravated Assaults increased by three percent
- Burglaries decreased by 15 percent
- Larcenies increased by less than one percent
- Auto thefts increased by four percent
- Total Part I Crime decreased by one percent
- Total Part II Crime increased by 13 percent

The number of murders increased from three to six, the number of rape incidents decreased from 76 to 74, and the number of robberies increased from 328 to 347. Aggravated assaults increased from 375 to 385, burglaries decreased from 1,711 to 1,457, and larcenies increased from 8,687 to 8,757. Auto thefts also showed a slight increase from the comparison period, from 1,328 to 1,383.

In making today's announcement, Chief Moose reiterated the need for all of us, as a community, to continue to work at reducing the incidence of crime and fear in our neighborhoods. Moose commented: "We are fortunate to live in a relatively safe community with a generally low crime rate. However, since the September 11<sup>th</sup> attacks, many people feel more vulnerable and more fearful. Now is the time for all of us to keep our eyes and ears open to suspicious activities in our neighborhoods and to report them to the police. Our officers and our Communications Center employees will be there to answer the calls for assistance and will keep their focus on combating crime problems. However, their efforts will only be successful if they are made in conjunction with a community-wide crime prevention strategy. There is much more that we, as a community united, can do to reduce the likelihood of becoming victimized by crime and fear. Your police department, along with the resources of the entire county government, stand prepared to provide the highest level of services during these most difficult and confusing times."
